

Oakfield CE (Aided) Primary School PE & Sport Funding for Academic Year 2014 – 15

What have we done in the academic year 2014 to 2015?

Total Grant received: £ 8,955.00
Total Spent: £10,066.23

Funded by School: £ 1,111.23
=====

TARGETS:

- Improve the quality of existing P.E. teaching throughout the school.
- Improve the range of sports and physical activity opportunities for the children to encourage more participation, improved skill levels and physical literacy and improvement in health and fitness levels.
- Improve our range of P.E. resources.
- Increase our participation levels in competitive sport and other healthy activities so that pupils develop an interest that can be continued when they leave the school.

At Oakfield P.E. is taught by class teachers to their own classes. We have P.E. specialists on the staff and, in addition, teachers who have an interest in physical activity and/or a particular sport. This allows us to offer a wide range of after school clubs and activities, some during the lunch break. It also allows expertise to be disseminated to staff and support to be given as necessary. Two new members of staff, with sporting interests, joined Oakfield this year.

The Sports grant has been spent on:

- P.E. and school sport CPD (Sept 2014 – July 2015) Early Years teacher and a TA attended KS1 Gymnastics (8/10/14), 3 teachers attended KS1/2 Invasion Games (14/10/15) 4 TA's attended KS1 dance (19/01/15), 1 teacher and a TA attended whole day 'Elevating Athletics' run by U.K. Athletics (27/01/15) 1 LKS2 teacher attended cricket training. 1 KS2 teacher attended P.E. Subject Co-ordinator training and bikeability course. **Total Cost £675.00**
- YR 3 class have undertaken 10 weeks cricket coaching in curriculum time from the Isle of Wight County Cricket (IWCC) coach, this has also included training in cricket for the class teacher – **Total Cost £100.00**
- Year R & YR1 10 weeks swimming in curriculum time – **Total Cost £1,564**
- Resources - Set of Mini Soccer Goals (12' x 6'), Class set of skipping ropes (3 x sizes), Sand and sandpit, New playground equipment to replenish breakages, swimming costumes for Early Years children, House colour braids. **Total Cost £3,197.23**
- Staffing - to run After School Clubs 3pm to 4pm each school day. New clubs/physical opportunities this year- Quick sticks hockey, Outdoor and Adventurous activities, bikeability, climbing wall day for KS2 pupils. **Total Cost £4,230.00**
- School Games membership - to enable Oakfield to take part in Sports Festivals, Competitions and the Island Primary Games – **Total Cost £200.00**
- Transport to after school competitions, hire of mini-buses. **Total Cost £100.00**
- Olympic athlete, Bex, visited Oakfield for the day. – Whole school assembly to raise aspirations and cultivate an interest in sport and physical activity. Children all took part in sponsored active event.
- Whole school Sports Day – every child taking part in track events, representing their colour house. Every class taking part in two events. Parents and families attend and governor support.

IMPACT:

Improved knowledge of P.E. and pupils' skill acquisition in staff who attended training, therefore increasing the quality of PE teaching. - TA's reported feeling more competent and confident to assist skills progression during lessons.

Increased awareness for staff of the importance of physical education in children's health and well being.

Increased range of after school clubs this year – KS1 and KS2 games, dance, bikeability for the youngest pupils. Larger numbers of children taking part in after school PE clubs and children starting new sports eg. hockey.

Increased numbers of children taking part in competitive sports.- House and class competitions in sitting volleyball, basketball, multi-skills, circuit activities etc. School entered teams in Inter School Festivals and competitions: Yr5/6 inter school athletics, A and B teams in sitting volleyball, KS2 Hockey, KS1 multi-skills competition, Ryde cluster area Yr 3/4 football league, Area Cross Country competition, Yr4 Quadkids athletics and LKS1 cricket festival.

Every year Oakfield pupils take part in the Island Primary Games. This year 10 children attended trials for various sports. 5 children will be representing the school as part of the St.Helena (Ryde) team in basketball, athletics, hockey and netball.

Children from the school also took part in the annual Country Dancing Festival, Walk the Wight (sponsored distance event for local Hospice), weekend athletics challenges and running events. A year 3 boy raised money for charity by swimming lengths in the local pool (totalling the equivalent distance across the Solent).

Oakfield took part in The Big Pedal for the 2nd successive year. This increased the numbers of children (and staff and parents) cycling or scooting to and from school over a three week period in the Spring Term. Children enjoyed the activity so much that many still travel to school in this way. Parents reported that it was easier to get their children up and off to school because they enjoyed the mode of travel.

Oakfield hosted the Area Cross Country Championships in the Spring Term and a year 6 Oakfield girl won the event. She had prepared for the event by taking part in a before school athletics club run weekly at the school by a volunteer and a teaching assistant.

Years R and 1 have benefited greatly from their swimming sessions. More of these children are now able to swim a short distance or have become more confident in the water; some parents are now taking their own children swimming or have enrolled them in lessons. Some of these children had previously never entered a swimming pool. Early Years staff report increased independence and improved overall development of the children in the different areas of learning as a direct result of the swimming provision.

We were pleased to achieve the Silver Games Mark for the Year 2013 -14. We will be applying this year for the same silver level award. This was awarded to the school in recognition for our commitment and development of competition, school sport and physical education.

Mrs Sue Stevens

P.E. Co-Ordinator, Oakfield Primary School.
